DESCRIPTION

Chevrolet Bolt EV Hayon 5 portes LT 2017 à vendre range 383km

This pre-owned 2017 Chevrolet Bolt EV LT is available now at Magog Honda in Magog, with 124,386 km on the odometer and a confirmed all-electric range of 383 km on a full charge. This five-door hatchback represents one of the most capable and practical electric vehicles to come out of that generation, making it a strong choice for drivers looking to reduce fuel costs without compromising on daily usability. The Bolt EV sits in the compact electric hatchback segment and helped define what an affordable long-range EV could look like before the market matured. Chevrolet's track record with the Bolt platform has proven solid, with strong battery longevity and a straightforward ownership experience. It suits commuters, environmentally conscious drivers, or households looking to electrify their daily driving. This example comes equipped with a backup camera, remote start, and built-in navigati...
