## DESCRIPTION

**GMC Terrain SLE 2022 AWD Sieges Chauffants Commandes Audio au Volant Camera de Recul**

This pre-owned 2022 GMC Terrain SLE AWD is available now at Olivier Hyundai de la Capitale in Québec, showing 41,000 km on the odometer. A well-maintained compact SUV in grey, it presents a strong opportunity for buyers looking for a capable, all-weather vehicle at a sensible point in its ownership cycle. The Terrain sits solidly in the compact SUV segment, competing with the likes of the Honda CR-V and Toyota RAV4, and has built a reputation for durability and strong resale value. The SLE trim is genuinely well-equipped, and this particular example adds heated front seats, a remote starter, and a backup camera - practical features that make a real difference in day-to-day use, especially through a Québec winter. AWD comes standard on this configuration, making it a natural fit for families, commuters, or anyone who needs reliable traction year-round. Olivier Hyundai de la Capitale off...
