## DESCRIPTION

**chevrolet bolt euv lt 2023 jamais accidente autonomie electrique de 397 km sieges chauffants demarreur a distance apple carplay android surveillance des angles morts et plus**

This 2023 Chevrolet Bolt EUV LT, available pre-owned at Sherbrooke Honda in Sherbrooke, is a fully electric compact SUV with 41,603 km on the odometer and a clean, accident-free history. Finished in Summit White, it represents a practical and well-equipped entry into electric mobility without compromise. The Bolt EUV sits squarely in the growing segment of compact electric SUVs, offering a real-world range of up to 397 km on a single charge - a key advantage for daily commuters and weekend drivers alike. Chevrolet's reputation for building reliable electric platforms makes the Bolt EUV a strong long-term ownership choice. This vehicle is a natural fit for urban professionals, first-time EV buyers, or any driver looking to cut fuel costs while maintaining everyday versatility. It comes equipped with heated front seats, a remote start, and a backup camera - practical features that make a ...
